

45TH
ANNUAL REPORT 2020-21

VENKY'S (INDIA) LIMITED

**Padmashree Late Dr. B.V. Rao
(1935-1996)**

"All our plans and programmes should be aimed at ensuring that the small farmer continues to remain in the industry and prosper."

"My group is passionately committed in bringing quality and technology to the Indian Poultry Industry."

"To succeed in any business one must have a firm commitment and an affinity for the business – more so in the poultry business. Making money, though welcome, should not be the sole criteria."

"The poultry industry must become self-supporting and self-reliant through better productivity, scientific management and an organised marketing effort."

"Technologically Indian poultry can match the world's best. Our productivity levels both in layer and broiler segments are second to none. Yet we also feel small, for there is so much to be done and so much more that can be done."

"Every successful organisation needs a clear commitment to excel in a chosen field; and this commitment will hold up over the years only by staying true to an original vision even in the worst of times."

Padmashree Dr. B. V. Rao

A Message From The Chairperson

Dear Shareholders,

To begin with, I wish you and your families the very best and do hope that you all are well and safe.

The financial year 2020-21 has been largely challenging with frequent disruptions due to Covid-19 pandemic and subsequent lockdown measures. Several states in India have enforced local restrictions to tackle the second wave of Covid-19 affecting mainly the hospitality industry. In spite of these factors, I am pleased to note that Venky's rose to the occasion to deliver a reasonably better performance. This has been possible, thanks to the farsighted vision, meticulous planning and creation of high quality infrastructure of our Late Chairman Padmashree Dr.B.V. Rao.

For the financial year 2020-21, though the sales turnover was slightly lower as compared to the previous year, the profitability has vastly improved due to better realizations from the sale of day old chicks and grown up broilers. The overall financial position of the Company has also improved. As a result, the total borrowings have been further reduced. The Company's ability to generate cash from business activities has also improved. Cash accruals were utilized to reduce borrowings, to meet capital expenditure and to pay bank interest charges. Venky's has a strong Balance Sheet with negligible debts.

The Board has recommended a dividend of Rs. 17 per share (170%) for the year ended 31st March, 2021.

As the shareholders are aware, in the last couple of years Venky's had undertaken and completed various expansion projects in all the three business segments. Benefits of these new projects have started accruing from April, 2021. As far as demand scenario for poultry products is concerned, I am hopeful that certain measures like gradual relaxation of lockdown norms and subsequent revival of economic activities and Central Government's support in the form of incentives will lead to a steady and sustained recovery. Returning to normal life augurs well for the poultry industry, in general, and Venky's is expected to benefit from this trend.

The poultry industry is currently facing a challenge in the form of steep increase in soya price, forcing nearly 30% of small farmers to go out of their business. An increase of nearly 75% in soya prices in one year is not affordable. The industry as a whole is struggling to deal with this crisis situation. A normal monsoon scenario and a modest increase in soya cultivation is expected to bring relief to the poultry industry. Therefore, I am hopeful that our country will be able to overcome the pandemic situation soon rather than late. And this will help us to focus our efforts on the future growth opportunities.

I once again wish you and your family all the best and good health.

Anuradha J. Desai
Chairperson

Grilled Chicken Burger

The best bet for a quick hunger buster, these burgers have perfectly spiced pure wholesome tender chicken piece. It is perfectly grilled without any oil and served with a delicious mayonnaise spread and ketchup. So tempting that you wouldn't stop with one.

Grilled Chicken Wrap Combo

A juicy roll with a blend of deserve flavour pure thigh meat marinated with a combination of Indian and Italian herbs. Grilled to deliver a typical Indian flavour. This juicy chicken preparation mixed with fresh salad, sprinkled with chaat masala is rolled in a soft paratha made from corn flour. A uniform coating of egg on the paratha further enrich the flavour and nutritional value of the roll with 1 piece of juicy Chicken Tangadi and 2 pieces of Chicken Nuggets served with mint dip and tomato ketchup.

VEG MENU

Aloo Tikki

Veg Burger

Tandoori Roast Chicken

The whole tender chicken richly marinated with fresh yoghurt and pure Indian spices is sourced from the best plantations across the country. The juicy and soft tandoori roast chicken treats your taste buds to the rich Indian traditional flavor, the moment you take your first bite. Served with fresh mint dip, the tandoori roast chicken is a delight to have.

Garlic And Pepper Roast Chicken

A well cooked whole tender chicken marinated with a combination of Indian and Italian herbs. The garlic and pepper flavored marinate is roasted at the right temperature without any oil, keeping a check on your fat intake. The medium spicy roast chicken is accompanied with a garlic dip.

Hot & Spicy Chicken Wings

For those who love all the heat and fire that a chicken wing can deliver, we offer you this mouth-watering starter. The tongue-tickling combination of the delectable chicken just rightly spiced with Indian flavours will cast a spell on your taste buds. Perfectly coated with flour that adds a delectable crunch to them, the Hot and Spicy Chicken Wings are sure to make you go ooh so yummm! Enjoy these as a snack by themselves with salad and your favourite dip, or make some homemade crispy French fries.

Roast Chicken Platter

There is one for all. A family packed meal with 2 pieces of tandoori roast chicken, 2 pieces of garlic and pepper roast chicken served along with a 2 pieces of Jeera naan. This delicious meal also includes 2 succulent pieces of chicken lollipops and 2 pieces of tender grilled chicken. It is served with scheswan sauce, garlic dip and mint dip.

Chicken Lollipop

The lollipops are prepared with the best chicken wings bringing out the fresh taste of chicken in every bite. The blend of Indian and Chinese cuisine gives a unique flavor to crunchy lollipops. The tangy and spicy scheswan sauce served with it, enhances the taste of this preparation. There is no compromise on taste.

Tender Grilled Chicken

This barbeque style grilled chicken is prepared from boneless and tender breast pieces. Each fillet is grilled by expert hands to ensure that you are served with the juiciest and tastiest piece of meat. The yummy dish is accompanied with a crunchy jeera naan and a smooth in-house garlic dip, striking the right balance. The fillets contain zero fat keeping your health in mind.

Chicken Tangadi

Tender chicken drumsticks marinated with fresh yoghurt and pure Indian spices are sourced from the best plantation across the country. The juicy and soft chicken tangadi treats your taste buds to the rich Indian traditional flavour, the moment you take your first bite. Served with fresh mint dip and fresh salad.

Chicken Aachari Tikka

Succulent chicken boneless leg meat cubes marinated with age-old traditional spices used to flavour pickles in the North Indian kitchen. The piping hot Murg Achari Tikkas work as best accompaniment for all celebrations and taste even better with raw crunchy onions and 'in-house' mint dip.

Chicken Hariyali Tikka

Tender juicy chicken boneless leg meat pieces marinated with a generous seasoning of fresh green chillies, coriander, mint leaves and a secret blend of delectable spices, churned in farm fresh mustard oil. Recommended to be served hot with raw crunchy onions and 'in-house' mint dip.

Murg Malai Tikka

Generous chunks of luscious boneless chicken leg meat marinated over-night in a secret recipe of yogurt, fresh cream, cheddar cheese and 'Chef's choice' of chosen ingredients. Best served hot with raw crunchy onions ringlets and 'in-house' black pepper dip.

Chicken Tandoori Tikka

Most popular version of the Indian tandoor lineage, these tikkas are an all time favourite of one and all and are specially marinated wholesome chicken boneless leg meat cubes with carefully chosen traditional Indian spices. Can be had as a ubiquitous finger snack coupled up with fresh onion rings and 'in-house' mint dip.

‘Chicken Smacker’

Satiate with the delicious Chicken Smacker Burger!

The newly launched Chicken Smacker Burger is a unique combination of western-style burger with traditional Indian spices. The patty for Chicken Smacker Burger is very Indian and you realize this as soon as you take the first bite. A blend of Indian masalas makes the burger incredibly juicy, crispy and a treat to the taste buds.

IMPORTANT COMMUNICATION TO SHAREHOLDERS

Following are the Company's recommendations to its shareholders:

Green Initiative

We seek the support of our shareholders in helping us saving our environment by registering their email id with the company for receiving all the communication i.e. Annual Report, various notices etc. through email as permitted by the law. Investors willing to avail the electronic mode of communication shall register their email id by filling and sending the form appearing on page no. 153 of this annual report.

Open demat account and dematerialise your shares¹

Members are requested to convert their physical shares into demat form. Holding shares in demat form helps investors to get immediate transfer of shares. No stamp duty is payable on transfer of shares held in demat form and risk associated with physical certificates such as forged transfer, loss of share certificate or torn certificates are avoided. Also transfer of shares, of a listed company, are prohibited in physical form. Hence, it is advised to dematerialise your shares.

Consolidate multiple folios

Members holding shares in identical order or names in more than one folio are requested to write to the company to consolidate their shares and send relevant share certificates for consolidation. This would facilitate the member in one point tracking of his/her holding and corporate benefits.

Appoint a Nominee

Investors are requested to appoint a nominee for their shareholding. Nomination would help the nominees to get the shares transmitted in their name without any hassles. Investor should register their nomination in case of physical shares with the Registrar and Share Transfer Agent of the Company i.e. M/s Bigshare Services Private Limited and in case of demat holding with their respective Depository participant.

NOTICE OF THE 45TH ANNUAL GENERAL MEETING

To,

The Members of Venky's (India) Limited

Notice is hereby given that the 45th Annual General Meeting (AGM) of the members of Venky's (India) Limited will be held on Wednesday, 11th August 2021 at 10.30 a.m. through Video Conferencing (VC) / Other Audio Visual Means (OAVM) deemed to be held at the registered office of the Company at "Venkateshwara House", S.No.114/A/2, Pune – Sinhgad Road, Pune 411030 to transact the following business:

ORDINARY BUSINESS:

1. To receive, consider and adopt the Audited Financial Statements as at 31st March, 2021 together with the Auditor's Report and Directors' Report thereon.
2. To declare dividend on equity shares.
3. To appoint a Director in place of Mrs. Anuradha J. Desai, who retires by rotation and being eligible, offers herself for re-appointment.

SPECIAL BUSINESS:

4. To consider and if thought fit, to pass with or without modification(s), the following resolution as an ordinary resolution:

"RESOLVED that pursuant to the provisions of Section 61 and other applicable provisions if any of the Companies Act, 2013 and the Rules made there under including any statutory modification(s) or re-enactment thereof for the time being in force) approval of the members of the Company be and is hereby accorded for cancelling the forfeited portion of the Issued and Subscribed Capital of the Company representing 5715 (Five Thousand Seven Hundred and Fifteen) Equity Shares of Rs.10/- (Rupees Ten) each, aggregating to Rs.57,150/- (Rupees Fifty Seven Thousand One Hundred and Fifty Only).

RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorized to do all such acts and take all such steps as may be necessary, proper or expedient to give effect to this Resolution."

5. To consider and if thought fit, to pass with or without modification(s), the following resolution as an ordinary resolution:

"RESOLVED THAT, pursuant to the provisions of section 148 of the Companies Act, 2013 (as amended or re-enacted from time to time) and the Rules made thereunder, remuneration not exceeding Rs.3,60,000/- (Rupees Three Lakhs Sixty Thousand Only) (exclusive of taxes and incidental expenses) be and is hereby approved to be payable to M/s. Joshi Apte & Associates, Cost Accountants, in respect of cost audit of the Company for the financial year 2021-22, on such terms and conditions as may be agreed upon between the cost auditor and the Board of Directors."

By order of the Board of Directors

NOTES :

- a. The Explanatory Statement pursuant to Section 102 (1) of the Companies Act, 2013 with respect to the special business set out in the Notice is annexed hereto. The information pursuant to Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, in respect of item no. 3 is given in the Report of Corporate Governance, which forms part of Directors' Report and members are advised to refer to the same.
- b. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular dated May 5, 2020 read with circulars dated April 8, 2020 and April 13, 2020 (collectively referred to as "MCA Circulars") permitted the holding of the Annual General Meeting ("AGM" or "Meeting") through Video Conferencing / Other Audio Visual Means (VC / OAVM), without the physical presence of the members at a common venue. The MCA vide its General Circular No. 02/2021 dated 13th January, 2021 and SEBI vide its Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated 15th January 2021 extended the above exemptions till 31st December 2021. In compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), MCA circulars and the SEBI circulars as stated above, the AGM of the Company is being held through VC / OAVM. The members intending to attend the meeting will be allowed to participate through VC / OAVM details of which are set out hereinafter.
- c. As per provisions of the Act a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote in the meeting instead of himself / herself. Since this AGM is being held pursuant to the MCA Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, Corporate Members intending to authorize their representatives for attending the AGM are requested to send a scanned certified copy of the board resolution authorizing their representative to attend through VC/OAVM and vote on their behalf in the AGM on corp.shares@venkys.com and/or rohan.bhagwat@venkys.com.
- d. PURSUANT TO THE PROVISIONS OF SECTION 108 OF THE COMPANIES ACT, 2013 AND RULE 20 & RULE 21 OF COMPANIES (MANAGEMENT AND ADMINISTRATION) RULES, 2014, THE COMPANY IS PLEASED TO PROVIDE ITS MEMBERS THE ELECTRONIC FACILITY TO EXERCISE THEIR RIGHT TO VOTE IN RESPECT OF BUSINESS MENTIONED IN THE NOTICE. THE BUSINESS AT THE AGM MAY BE TRANSACTED THROUGH E-VOTING SERVICES PROVIDED BY CENTRAL DEPOSITORY SERVICES LIMITED (CDSL). THE INSTRUCTIONS AS REGARD TO AVAILING E-VOTING FACILITY IS ANNEXED.
- e. In compliance with the aforesaid MCA Circulars and SEBI Circular Notice of the AGM along with the Annual Report is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Members may note that the Notice and Annual Report will also be available on the Company's website www.venkys.com and websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively.
- f. Since the AGM will be conducted through VC/OAVM means, to conduct the AGM in a smooth and seamless manner only those shareholders will be allowed to speak at the AGM who have pre-registered themselves for the same with the Company. The Company hence requests members to opt any one of the following methods for obtaining answers to their queries / making suggestions:
 - Members seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to the Company on or before 05.00 p.m. on 6th August 2021 through email on corp.shares@venkys.com and/or rohan.bhagwat@venkys.com and such email shall mandatorily mention the name of the shareholder, demat account number / folio number, email id and contact number of the shareholder. The same will be replied by the Company suitably.

Venky's (India) Limited

- Members who intend to speak at the AGM shall register with the Company by sending an email on or before 05.00 p.m. on 6th August 2021 through email on corp.shares@venkys.com and/or rohan.bhagwat@venkys.com.

The Company will allow only the pre-registered members to speak at the AGM.

Members are requested to discuss or ask queries only on the Accounts or business of the Company or any other agenda of the 45th AGM so that effective question answer session can take place and queries posed by majority shareholders are addressed. The Company reserves the right to restrict the number of questions and number of speakers, depending upon availability of time as appropriate for smooth conduct of the AGM.

- g. The Register of Members and Share Transfer Books will remain closed from Saturday, 24th July 2021 to Friday, 30th July 2021 (both days inclusive) for the purpose of payment of final dividend for the financial year ended on 31st March, 2021
- h. Subject to the provisions of the Companies Act, 2013, dividend as recommended by the Board of Directors, if declared at the meeting, will be paid within a period of 30 days from the date of declaration, to those members whose names appear on the Register of Members as on the closing hours of Friday, 23rd July 2021.
- i. The Company has appointed its Secretarial Auditor Mr. P. L. Shettigar as the Scrutinizer for scrutiny of votes casted through e-voting mechanism for the ensuing AGM. The scrutinizer will submit his report and voting results within the statutory time limit.
- j. Members wishing to claim dividends, which remain unclaimed, are requested to correspond with Mr. Rohan Bhagwat, Company Secretary or Mr. Nikhil Borlikar, Investor Grievance Cell at the Company's registered office. Members are requested to note that, dividends not claimed within seven years from the date of transfer to the Company's Unpaid Dividend Account, will, as per the provisions of Companies Act, 2013, to the extent applicable, be transferred to the Investor Education and Protection Fund (IEPF). Also, shares of members who do not claim dividend for a period of 7 consecutive years will be transferred to IEPF and hence members are requested to claim their dividends in time.
- k. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Company / Registrar and Transfer Agent.
- l. The documents referred to in the Notice, if any, will be available for inspection at the Company's registered office during normal business hours on working days up to the date of the AGM.
- m. In terms of the Listing Regulations, securities of listed companies can only be transferred in dematerialized form with effect from 1 April 2019. In view of the above, Members are advised to dematerialize shares held by them in physical form.
- n. Since the AGM is conducted through VC/OAVM, Route map for the venue of AGM is not required and hence not enclosed with this notice.

Statement pursuant to Section 102 (1) of the Companies Act, 2013

Item No. 4

The issued and subscribed capital of the Company comprises of 1,40,93,051 equity shares of Rs.10/- each whereas the paid-up and capital listed on stock exchanges is 1,40,87,336 equity shares of Rs.10/- each. The difference of 5715 equity shares in the above position is due to forfeiture of shares done long back. In order to make a better factual presentation of the share capital in the financial statements and other reports of the Company, cancellation of such forfeited shares is proposed. This cancellation will not in any way alter the paid-up share capital or shares listed by the Company on stock exchanges and will also not affect in any way, the rights of all the existing shareholders of the Company.

The Shareholders' approval is solicited for the resolution at Item No. 4 of the accompanying Notice as an Ordinary Resolution.

None of the Directors or Key Managerial Personnel, or their respective relatives are in any way, concerned or interested, financial or otherwise, in the resolution set out at Item No.4 of the Notice.

Item No. 5

Section 148 of the Companies Act, 2013 read with Rules made thereunder requires certain class of Companies to get its cost accounts audited by qualified cost accountant who is member of Institute of Cost Accountants of India and engaged in Wholetime practice. Appointment of such cost auditor has to be made by the Board of Directors at the recommendation of Audit Committee and remuneration payable to him is subject to ratification by the members of the Company. Accordingly, the Board of Directors has appointed M/s. Joshi Apte & Associates, Cost Accountants and remuneration payable to them is put up for members ratification.

M/s. Joshi Apte & Associates, Cost Accountants, does not hold any shares in the Company and is not related with any of the Directors of the Company.

The Shareholders' approval is solicited for the resolution at Item No. 5 of the accompanying Notice as an Ordinary Resolution.

None of the Directors or Key Managerial Personnel, or their respective relatives are in any way, concerned or interested, financial or otherwise, in the resolution set out at Item No.5 of the Notice.

By order of the Board of Directors

Shareholders Instructions for e-voting

The instructions for shareholders voting electronically are as under:

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM/EGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM/EGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM/EGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/AGM will be provided by CDSL.
3. The Members can join the EGM/AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM/EGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, , the facility to appoint proxy to attend and cast vote for the members is not available for this AGM/EGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM/EGM has been uploaded on the website of the Company at www.venkys.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM/EGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM/EGM) i.e. www.evotingindia.com.
7. The AGM/EGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January,13,2021.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on Sunday, 8th August, 2021 at 10.00 a.m. IST and ends on Tuesday, 10th August, 2021 at 5.00 p.m. IST. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Thursday, 5th August, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL	<ol style="list-style-type: none"> 1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. (v) Login method for e-Voting and joining virtual meetings for **Physical shareholders and shareholders other than individual holding in Demat form.**

- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
- 2) Click on “Shareholders” module.
- 3) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- 6) If you are a first-time user follow the steps given below:

	For Physical shareholders and other than individual shareholders holding shares in Demat.
PAN	<p>Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders)</p> <ul style="list-style-type: none"> Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	<p>Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login.</p> <ul style="list-style-type: none"> If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field.

- (vi) After entering these details appropriately, click on “SUBMIT” tab.
- (vii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is

Venky's (India) Limited

strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

- (viii) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (ix) Click on the EVSN for Venky's (India) Limited.
- (x) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/ NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xi) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xii) After selecting the resolution, you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xiii) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xiv) You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.
- (xv) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvi) **Additional Facility for Non – Individual Shareholders and Custodians –For Remote Voting only.**
 - Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the "Corporates" module.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
 - Alternatively Non Individual shareholders are required to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz; corp.shares@venkys.com or rohan.bhagwat@venkys.com, if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

**DIRECTORS' REPORT**

The Shareholders,

Your Directors have pleasure in presenting the Forty Fifth Annual Report and audited financial statements for the financial year ended 31st March 2021.

FINANCIAL RESULTS

(Rs. in Crores)

Description	2020-21	2019-20
Revenue from Operations (Net)	3116.63	3261.02
Operating Expenditure	2727.85	3282.38
Depreciation	35.43	34.25
Operating Profit	353.35	-55.61
Finance Costs	28.48	29.51
Other Income	35.80	35.41
Profit Before Tax	360.67	-49.71
Provision for Tax	93.21	-21.77
Tax adjustment in respect of earlier years	-0.29	-0.78
Profit for the year	267.74	-27.16
Amount available for appropriation	641.25	386.75

OPERATIONS

The sales turnover of the Company for the year ended 31st March, 2021 was Rs.3,116.63 cr. as compared to Rs.3,261.02 cr. in the previous year – a slight reduction of 4.4%. Profit before tax was Rs.360.67 cr. as against a loss of Rs.49.71 cr. in the previous year. Profit after tax was Rs.267.74 cr.

After witnessing a setback in the previous year due to Covid-19 pandemic, the financial performance of the Company started improving from the first quarter of FY 2021. Poultry and poultry products segment witnessed better realizations from the sale of day old chicks and grown up broilers. Maize prices have been steady throughout the year, while soya de-oiled cake prices have hit the all time high in the second half of FY 2021. The overall performance of Animal Health Products and the Oilseed segments has been good.

DIVIDEND

Your Directors recommend a dividend of Rs.17.00 per equity share (170%) for the year ended 31st March, 2021. The dividend, if approved at the ensuing Annual General Meeting, will absorb Rs.23.95 Crores.

The Company's dividend distribution policy is available at Page no.135 of this report.

SEGMENT-WISE PERFORMANCE

Operational performance of each business segment has been comprehensively covered in the Management Discussion and Analysis Report given in Annexure-A which forms part of this Report.

CORPORATE GOVERNANCE REPORT

As per the requirements of Regulation 34(3) read with Clause C of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 a separate report on Corporate Governance along with the certificate issued by Company Secretary in Whole-Time Practice thereupon is given in Annexure-B which forms part of this Report.

ANNUAL RETURN

Pursuant to the provisions of Section 92 of the Companies Act, 2013 the Annual Return of the Company is available on the website of the Company i.e. www.venkys.com

MEETINGS OF BOARD

During the year 2020-2021, 4 (Four) meetings of the Board of Directors were held on the following dates:

1) 29th June, 2020, 2) 13th August, 2020, 3) 9th November, 2020, 4) 3rd February, 2021.

DIRECTORS' RESPONSIBILITY STATEMENT

The Directors declare that:

- the accounts for the year ended 31st March, 2021 have been prepared by following applicable accounting standards;
- the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year ended 31st March, 2021 and of the profit of the Company for that year;
- proper care has been taken for the maintenance of adequate records for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities;
- the accounts for the year ended 31st March, 2021 have been prepared on a going concern basis;

5. internal financial controls to be followed by the Company are laid down and that such internal financial controls are adequate and are operating effectively; and
6. proper systems are devised to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

BOARD OF DIRECTORS AND THEIR COMMITTEES

- a. Changes in the Composition of Board of Directors.

As per the provisions of Companies Act, 2013 and Articles of Association of the Company, Mrs. Anuradha J. Desai, Director is due for retirement by rotation at the ensuing Annual General Meeting and, being eligible, offers herself for reappointment.

A brief profile of the above Director is given in the Corporate Governance Report annexed to this report.

The Board regrets to report that Late Col. Surinder Kumar (Retd.) Independent Director expired on 23rd January, 2021. The Directors express their sorrow on the sad demise of Late Col. Surinder Kumar (Retd.) and place on record their appreciation for the contribution made by him during his tenure as Director of the Company.

Apart from the above, there was no change in the Board of Directors of the Company.

- b. Declaration from Independent Directors:

Pursuant to Section 149(7) of the Companies Act, 2013, the Company has received declarations from all the Independent Directors confirming that they meet the criteria of independence as stipulated under Section 149 of the Companies Act, 2013 and Regulation 16 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and that they have complied with the Code for Independent Directors prescribed in Schedule IV of the Companies Act, 2013 and with the Code of Conduct for Directors and Senior Management Personnel.

- c. Policy relating to the remuneration for directors, key management personnel & other employees.

The Company's policy on directors' appointment and remuneration including criteria for

determining qualifications, positive attributes, independence of a director and other matters provided in sub section 3 of Section 178 of Companies Act, 2013 is available on the website of the Company at <http://venkys.com/investors/policies-and-reports>

- d. Annual evaluation by the Board of its own performance and that of its Committees.

The board annually performs the evaluation of its own performance, the Committees of the Board and that of individual Directors. While carrying out such evaluation various aspects relating to the Board functioning such as adequacy of composition, level of diversity of the Board, execution of specific duties, governance etc. are considered. The same mechanism is applied while evaluating the performance of the Committees of the Board and additionally the fulfillment of duties and scope as stipulated by the Companies Act, 2013, and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is considered.

The performance evaluation of individual directors is carried considering factors like execution of specific assignments, effective contribution to the Board discussions and decisions, independence of judgment and steps taken towards proper governance of business and safeguarding interest of stakeholders.

- e. Familiarisation Programme of Independent Directors

The Company at selected intervals takes steps to familiarise its independent directors about their roles, rights and responsibilities. The details of such programme is available on the website of the Company at <http://venkys.com/investors/policies>

- f. Audit Committee

The Company have Audit Committee in place as per as Section 177 of the Companies Act, 2013. Details of such committee is given in the Corporate Governance Report which is annexed and forms part of this Report.

- g. Managing Director's Remuneration:

Pursuant to provisions of Companies Act, 2013, the Managing Director of the Company also draws remuneration from its Holding Company Venkateshwara Hatcheries Private Limited.

SIGNIFICANT AND MATERIAL ORDERS

There are no significant and material orders passed by the regulators or courts or tribunals impacting the going concern status and Company's operations in future.

MATERIAL CHANGES AND COMMITMENTS AFTER THE CLOSE OF FINANCIAL YEAR

There are no material changes and commitments, if any, affecting the financial position of the company which have occurred between the end of the financial year of the company to which the financial statements relate and the date of the report.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

During the year under review the Company has not given any loans, guarantees or made investments which fall under the purview of Section 186 of the Companies Act, 2013.

RISK MANAGEMENT

The Company has in place a risk management plan devised by the Board and focuses on three key elements i.e. Risk Assessment, Risk Management and Risk Monitoring. The Board therefore identifies elements of risk, focus on mitigating the risk as per the plan and monitor the same post execution. In terms of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has formed a Risk Management Committee to monitor and review the Risk Management Plan of the Company. During the year 2020-21 Brig. Rajeshwar Singh Rathore (Retd.) was appointed as member and Chairman of the Committee. Mr. J. K. Handa is also a member of the Committee.

CORPORATE SOCIAL RESPONSIBILITY

VH Group and in particular Venky's (India) Limited has been historically conducting CSR activities concentrated on educational and medical services for the upliftment of the society, promotion of sports, rural development projects etc. Your company has, pursuant to Section 135 of the Companies Act, 2013, formed a CSR Committee. The Annual Report on CSR for the F.Y. 2020-2021 is appended as Annexure C to this report. The policy on CSR is available on the website of the company at <http://venkys.com/investors/policies-and-reports>

INTERNAL FINANCIAL CONTROLS

The internal control system is designed to ensure that all the financial and other records are reliable for preparing financial statements and for maintaining

accountability of the assets. The Company has a proper and adequate system of internal controls.

VIGIL MECHANISM / WHISTLE BLOWER POLICY

Your company has established a Vigil Mechanism as per the provisions of the Companies Act, 2013 for the Directors and employees to report genuine concerns. The Audit Committee is in-charge of this function. The details of vigil mechanism are available on the website of the Company at <http://venkys.com/investors/policies-and-reports>

Chairperson

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. Industry Structure and Development :

By any standard, the financial year 2020-21 will go down in history as the year of the Covid-19 pandemic, severely impacting the global economy. Almost all the countries came to a standstill for several months with uncertainty and a status of confusion. No doubt, the Indian economy also witnessed a steep decline in the first quarter which continued in the remaining quarters.

After suffering severe setback in the first quarter, some improvements were seen in the demand for electricity, gas, water supply and other utility services. Agriculture, forestry, and fishing industry grew at a constant pace, unchanged from the previous quarter. Hotels, transport, communication, and services relating to broadcasting suffered the most. In this backdrop, the poultry industry witnessed a decent recovery after the initial setback. Like other industries in the hospitality industry, the poultry industry is also hopeful that normalcy will return soon.

2. Opportunities, Threats, Risks and Concerns :

It is a known fact that the vast gap between India's per capita consumption (79 eggs and 4.5 kgs of meat – prior to outbreak of Covid-19 pandemic) and National Institute of Nutrition (NIN) recommended level (180 eggs and 11 kgs of meat) offers high potential for the growth of poultry industry for the next two decades or so. The industry's growth rate is expected to resume once the normal life returns.

Lack of adequate cold storage facilities in key locations and retail infrastructure are the main reasons which are impacting the industry's growth. Another important factor is the sudden and steep price trends of poultry feed ingredients like maize and soya. Steep rise in maize and soya prices are capable of affecting the financials of the poultry industry.

3. Segmentwise Performance:

a. Poultry and Poultry Products

The Company's major business segment is poultry and poultry products which consist of production and sale of day old broiler and

layer chicks, specific pathogen free eggs, processed chicken products and poultry feed. In F.Y. 2020-21 this segment's turnover was Rs. 1,42,891 Lakhs as compared to Rs. 1,56,700 Lakhs in the last year. The segment registered a profit of Rs. 26,632 Lakhs as compared to a loss of Rs.11,633 Lakhs in the previous year.

b. Animal Health Products

The Company has its animal health products manufacturing facility at Pune. This segment's sales turnover was Rs.21,671 Lakhs as compared to Rs. 23,222 Lakhs. Profit before tax and interest was Rs.4,414 Lakhs as against Rs. 3,981 Lakhs in the last year.

c. Oilseed

This segment registered a sales turnover of Rs.1,57,575 Lakhs as compared to Rs. 1,58,946 Lakhs last year. Profit before tax and interest was Rs.8,473 Lakhs as against Rs. 6,818 Lakhs in the previous year.

4. Outlook

It is expected that with the vaccination program of the Government of India to tackle Covid-19 picking up, coupled with gradual relaxation in lockdown of all aspects of economic activities, there will be a steady and sustained recovery in the overall economic scenario. This will help the poultry industry and Venky's to improve sales volume and is expected to result in better financial performance. However, the steep increase in the prices of soya and maize – witnessed in the last couple of months – is a matter of concern. Steep increase in poultry feed prices will not only affect the financial performance, it will also affect the anticipated growth in demand for poultry products.

5. Internal Control Systems and their adequacy

The internal control system is designed to ensure that all the financial and other records are reliable for preparing financial statements and for maintaining accountability of the assets. The Company has a proper and adequate system of internal controls to ensure that all assets are

safeguarded and protected against loss from unauthorised use or disposition and that transactions are authorised, recorded and reported correctly.

Commensurate with the size of operation, your Company has Internal Audit department which continuously reviews the internal control system by an exclusive programme of Internal Audit. The significant findings are then discussed by the Audit Committee of Directors and corrective measures are initiated. The Audit Committee also monitors the implementation of recommendations made by it.

6. Discussion on Financial Performance with respect to Operational Performance:

The Company registered a turnover of Rs. 3,11,663 Lakhs as against Rs.3,26,102 Lakhs in the previous year. The Company registered a profit of Rs. 267.74 Crores as compared to loss of Rs.27.16 Crores in the previous year.

The long term borrowings of the Company during the year decreased by about 38.39% from

Rs. 2,058 Lakhs to Rs.1,268 Lakhs. The short term borrowings of the Company during the year decreased by about 36.76% from Rs.25,456 Lakhs to Rs. 16,098 Lakhs. Finance cost of the Company has decreased by 3.49% from Rs. 2,951 Lakhs to Rs.2,848 Lakhs.

Keeping in view liquidity, returns and also safety, the Company has invested certain funds in bank deposit and debt/liquid schemes of mutual funds.

7. Material Development in Human Resources / Industrial Relations front, including number of people employed:

In line with VH Group's corporate philosophy, the Human Resource is considered as the most valuable resource in the Company. The focus is on developing a performance culture with high standards of efficiency and innovation. Employee relations at all levels continue to remain cordial. As on 31st March, 2021 the Company has 5346 employees.

8. Details of Financial Ratios

Details of significant changes (25% or more) in key financial ratios along with detailed explanation for such change as compared to the previous financial year:

Ratio	As at 31 Mar 2021	As at 31 Mar 2020	Change %	Remarks
Interest Coverage Ratio	13.66	-0.68	1940%	The substantial change due to losses in previous year
Debt Equity Ratio	0.16	0.36	55%	Normal debt repayments
Operating Profit Margin (%)	12%	-1%	2116%	The substantial change due to losses in previous year
Net Profit Margin (%)	9%	-1%	1140%	The substantial change due to losses in previous years

CERTIFICATE ON CORPORATE GOVERNANCE

To,
The Members of
VENKY'S (INDIA) LIMITED
Pune

I have examined the compliance of conditions of Corporate Governance by Venky's (India) Limited CIN - L01222PN1976PLC017422 for the year ended 31st March, 2021 as stipulated in Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI Listing Regulations) as referred to in Regulation 15(2) **under clause E of Schedule V** of the SEBI Listing Regulations during the year ended 31st March, 2021.

The compliance of conditions of Corporate Governance is the responsibility of the Company's Management. My examination has been limited to procedures and implementations thereof, adopted by the Company for ensuring the compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanation given to me and the representations made by the Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Regulations as applicable except for the compliance of Regulation 17(1) of the Listing Regulations relating to the composition of the Board of Directors for part of the audit period.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2021

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014] And Regulation 24A of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

To

The Members,

VENKY'S (INDIA) LIMITED,
"Venkateshwara House",
S.No.114/A/2, Pune-Sinhagad Road,
Pune - 411030.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by VENKY'S (INDIA) LIMITED - CIN L01222PN1976PLC017422 (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has during the audit period covering the financial year ended on 31st March, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2021 and made available to me, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made thereunder.
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

- c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; (Not applicable during the audit period)
 - e) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; (Not Applicable during the audit period)
 - f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not Applicable during the audit period)
 - g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with Client;
 - h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not applicable during the audit period) and
 - i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (Not applicable during the audit period)
- (vi) The following other laws as applicable to the Company:
- Food Safety and Standards Act, 2006 & Rules and Regulations made thereunder.
 - Foods and Drugs Administration Laws.
 - Drug Price Control Order, 2013.
 - Drugs and Cosmetic Act, 1940, Drugs and Cosmetic (Amendment) Act, 2008 and Rules and Regulations made thereunder.
 - Legal Metrology Act, 2009 & Rules and Regulations made thereunder.
 - The Environment (Protection) Act, 1986
 - The Water (Prevention and Control of Pollution) Act, 1974
 - The Air (Prevention and Control of Pollution) Act, 1981
 - Agricultural Produce Marketing (Regulation) Act, Maharashtra 1963
 - Edible Oil Packaging Order, 1990
 - Factories Act, 1948
 - Local Gram Panchayat Laws.

We have also examined compliance with applicable clauses of the following:

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India;
- (ii) The Listing Agreement entered into by the Company with National Stock Exchange of India Limited and Bombay Stock Exchange Limited, read with SEBI (Listing Obligations And Disclosure Requirements) Regulations, 2015.

Venky's (India) Limited

I further report that adequate systems and processes are in place in the Company to monitor and ensure compliance with general laws like labour laws, finance laws and tax laws.

During the period under review the Company has complied with the provisions of the Acts, Rules, Regulations, Guidelines mentioned above. I further report that the compliances by the Company of applicable financial laws like direct and indirect tax laws, have not been reviewed in this Audit since the same are subject to review by statutory financial audit.

I further report that the Board of Directors of the Company was constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors under Regulation 17(1) of SEBI (LODR) Regulations, 2015 till 23rd January, 2021 during the period. However, with effect from 24th January, 2021 due to demise of one independent director, the constitution of the Board was not as per Regulation 17(1) of SEBI (LODR) Regulations, 2015. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

I further report that adequate notice is given to all Directors to schedule the Board Meetings, Agenda and detailed notes on Agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the Agenda items before the meeting and for meaningful participation at the meeting.

I further report that as per the minutes of the meetings recorded and signed by the Chairperson, the decisions of the Board were unanimous and no dissenting views of the Directors have been noticed in the Minutes.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable Laws, Rules, Regulations and Guidelines.

I further report that during the audit period, there were no specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred Laws, Rules, Regulations, Guidelines, Standards, etc.

MANAGING DIRECTOR AND CHIEF FINANCIAL OFFICER CERTIFICATE

To
The Board of Directors
VENKY'S (INDIA) LIMITED

Dear Madam / Sirs,

We, the undersigned, in our respective capacities as Managing Director and Chief Financial Officer of Venky's (India) Limited ["the Company"], to the best of our knowledge and belief, certify that:

- (a) We have reviewed the financial statements and the cash flow statements for the year ended on 31st March, 2021 and based on our knowledge and belief, we state that:
 - (i) these statements do not contain any material untrue statement or omit any material fact or contain any statement that might be misleading;
 - (ii) these statements together present a true and fair view of the Company's affairs and are in compliance with the existing accounting standards, applicable laws and regulations.
- (b) We further state that to the best of our knowledge and belief, there are no transactions entered into by the Company during the year, which are fraudulent, illegal or violative of the Company's code of conduct.
We hereby declare that all the Members of the Board of Directors and Senior Management have confirmed compliance with the Code of Conduct as adopted by the Company.
- (c) We are responsible for establishing and maintaining internal control and for evaluating the effectiveness of the same over the financial reporting of the Company and have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of internal control, if any, of which we are aware and the steps we have taken or proposed to take to rectify these deficiencies.
- (d) We have indicated, based on our most recent evaluation, wherever applicable, to the Auditors and the Audit Committee:
 - (i) significant changes, if any, in the internal control over financial reporting during the year;
 - (ii) significant changes, if any, in the accounting policies made during the year and that the same has been disclosed in the notes to the financial statements; and
 - (iii) instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having significant role in the Company's internal control system over financial reporting.

INDEPENDENT AUDITORS' REPORT

To,
The Members of
Venky's (India) Limited

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of **Venky's (India) Limited ("the Company")**, which comprise the Balance sheet as at 31st March, 2021, and the Statement of Profit and Loss, (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

- (i) **Valuation of Biological Assets-** (as described in note 1.3 (j), note 3.2 and note 7.2 of the financial statements)

Description of Key Audit Matter:

Biological assets include Poultry for live-stock breeding (Broiler and Layer Parents), hatching eggs, Specific Pathogen Free Eggs (S.P.F Eggs), Commercial Eggs and live commercial birds (Broiler and Layer). Biological assets, except breeder flock and commercial layer birds are measured at fair value less cost to sell.

Ind AS 41- Agriculture and Ind AS 113 – Fair Value Measurement deal with recognition and measurement of fair value of biological assets respectively. The fair value measurement requires consideration of market approach, cost approach and income approach.

Considering the distinctiveness of lifecycle of Biological Assets, the market benchmarks for valuation are difficult to ascertain / find. Additionally, the determination of best fit valuation technique using fair value estimates is a complex process involving significant judgments and estimates regarding inputs. The value of the Company's biological assets as at 31st March, 2021 amounts to INR 20,492.27 Lakhs, which is a significant component of the Balance Sheet. Therefore, we have considered it to be a key audit matter.

Description of Auditor's response:

We have gained adequate understanding of the nature of biological assets lifecycle and applied the prescriptions given in Ind AS 41 and Ind AS 113 in their context. We have undertaken audit procedures in relation to accounting of biological assets, controls exercised and valuation methods adopted by the management over biological assets with a view to evaluate their appropriateness and compliance with the applicable accounting principles.

Identification and classification of biological assets is a key determinant and was examined and

evaluated. We analyzed the valuation approaches adopted by management for each class of biological assets for their appropriateness based on the principle of highest and best possible use as laid down in Ind AS 41. We also audited the methodology used by the Company and verified reasonableness of inputs / assumptions used by the Company including production life cycle, feed consumption and mortality rates. Further we have analytically reviewed the results of valuation and compared the same with the past trends. Finally, the appropriateness and adequacy of the presentation and disclosure of biological assets in the financial statements was audited.

(ii) Transactions with related parties - (as described in note 13 of the financial statements)

Description of Key Audit Matter:

The Company operates within a conglomerate of group entities. The parent company and associates, operate in the line of business as the Company. The transactions with related parties are significant that have effect over both statement of profit and loss and balance sheet described in detail in Note 13 of financial statements and include sales, purchases, advances etc.

These group companies operate in the same sector and have significant transactions amongst themselves during the year. Such transactions with related parties are necessitated to be at arm's length, they involve significant cash flow between parties, intercompany contracts, and common management amongst other things, they are considered to be a key audit matter.

Description of Auditor's response:

Audit procedure included identification of related party relationships, classification, examination of transactions from the perspective of arm's length criteria adopted by the Board of Directors, risks attached to items such as collateral security, interest rate and recovery of other receivable, ageing and provisioning policies and practices, review of confirmation and reconciliation process, review of controls and analytical review of various account balances and transaction balances amongst other things.

Other Information

The Company's Board of Directors is responsible for the other information. The Other information comprises the Management Discussion and Analysis Report, Directors' Report including Annexures to Directors' Report, Report on Corporate Governance

and Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to

continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 7.1 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of Independent Auditor's Report on financial statements of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) According to information and explanations provided to us, the fixed assets of the Company have been physically verified during the year by the management in accordance with a phased program of physical verification designed to cover all assets over a period of three years which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Based on records made available to us, no material discrepancies were identified on such verification.
- (c) Based on audit procedures performed by us for the purpose of reporting the true and fair view of the financial statements of the Company and based on records produced to us and according to information and explanations provided by the management, the title deeds of immovable properties forming part of property, plant and equipment, are held in the name of the Company except for the cases mentioned below wherein it is informed to us that registration of said property is in process.

(Rupees in Lakhs)

Particulars	Location	Total number of cases	Gross block as at March 31, 2021	Net block as at March 31, 2021
Freehold Land and Building thereon	Nalagarh, Larsouli	2	1,428.14	1,345.56

- ii. As explained to us, the management has conducted physical verification of its inventories during the year. In our opinion, having regards to size of the Company and nature of its business, the frequency of verification is reasonable. Based on records produced to us, discrepancies noticed on verification between the physical stocks and the book records were not material and were properly dealt with in the books of account.
- iii. According to the information and explanations given to us, the Company has not granted any

- loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act. Consequently, sub clause (a), (b) and (c) of the paragraph 3 (iii) are not applicable to the Company.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act in respect of loans, investments, guarantees and securities, so far as applicable for the year under report.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposit from the public within the meaning of the provisions of sections 73 to 76 or any relevant provisions of the Act and the rules framed there under and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
- vi. We have broadly reviewed the cost accounting records maintained by the Company, pursuant to the Companies (Cost Records and Audit) Rules, 2014, prescribed by the Central Government under section 148(1) of the Act. However, we have not made a detailed examination of the records with a view to determine its accuracy. Based on our review we are of the opinion that prima facie, the prescribed accounts and records have been made and maintained.
- vii. In respect of statutory dues:
- a) According to the records of the Company, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income-tax, goods and services tax, duty of custom, cess and other statutory dues applicable to it. As per the records of the Company, as at March 31, 2021, the Company does not have any undisputed statutory dues which are outstanding for a period of more than six months from the date they became payable.
- b) According to the information and explanations given to us, the particulars of dues in respect of income tax (including

Venky's (India) Limited

TDS), sales tax, service tax, goods and services tax, duty of customs, duty of excise and value added tax that have not been deposited with the appropriate authorities on account of dispute and the forum where the disputes are pending as on March 31, 2021 are as given below:

Name of the Statute	Nature of Dues	Amount Involved (Rupees in Lakhs)	Amount paid / adjusted under protest (Rupees in Lakhs)	Period	Forum where dispute is pending
Central Sales Tax Act, 1956 and sales tax acts of various states	Sales Tax	84.77	63.67	1991 – 1992 1992 - 1993 1993 - 1994 1994 - 1995 1995 – 1996	High Court, Mumbai

		15.00	15.00	2012 – 2013	Maharashtra Sales Tax Tribunal
Central Excise Act, 1944	Duty of Excise	535.62	535.62	2011 – 2012 2013 - 2014 2014 – 2015 2015 – 2016 2016 – 2017 2017 – 2018	The Commissioner, Central Excise, Pune
		693.65	26.01	2012 – 2017	CESTAT Mumbai
		1.11	0.11	2012 – 2017	The Commissioner, Central Excise, Nagpur
Income Tax Act, 1961	Income Tax	141.19	141.19	2017-18	Commissioner of Income Tax, Appeals, Pune - 11.

- viii. According to the information and explanations given to us, the Company has not defaulted in repayment of dues to financial institutions or banks.
- ix. As per the records of the Company and according to the information and explanations provided to us, the Company has not raised any money by way of initial public offer, further public offer, debt instruments or term loans during the year. Accordingly paragraph 3 (ix) of the Order is not applicable to the Company.
- x. To the best of our knowledge and belief and according to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees was noticed or reported during the year.

- xi. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid / provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- xii. In our opinion, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Accounting Standards.
- xiv. According to the information and explanations given to us and based on our examination of the records of the Company, no preferential allotment or private placement of shares or fully or partly convertible debentures has been made by the Company during the year. Therefore, paragraph 3(xiv) of the Order is not applicable.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with him as specified under section 192 of the Act. Therefore, paragraph 3(xv) of the Order is not applicable.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and therefore the provisions of paragraph 3(xvi) of the Order is not applicable.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of Independent Auditor's Report on financial statements of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Venky's (India) Limited ("the Company")** as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management

override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the

essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

1.1 CORPORATE INFORMATION

Venky's (India) Limited ("the Company") is a listed public company domiciled in India and is incorporated under the provisions of the Companies Act, 1956. Its shares are listed on two recognised stock exchanges in India. The registered office of the company is located at Venkateshwara House, S. No. 114/A/2, Pune-Sinhagad Road, Pune 411 030.

The Company has diversified its activities in poultry sector that includes production of SPF eggs, chicken and eggs processing, broiler and layer breeding, animal health products, Poultry feed & equipment, soya bean extract and many more. The Company has its growing and other manufacturing facilities across India and sells primarily in India.

Venkateshwara Hatcheries Private Limited, the holding Company owned 51.02% of the Company's equity share capital.

The financial statements for the year ended 31st March 2021 were approved by the Board of Directors and authorised for issue on 10th May 2021.

1.2 BASIS OF PREPARATION

Compliance with Ind AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") as notified by Ministry of Corporate affairs pursuant to section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments through Companies (Indian Accounting Standards) Amendment Rules thereafter.

The financial statements have been prepared on accrual and going concern basis. Except for the changes below, the accounting policies are applied consistently to all the periods presented in the financial statements.

Current / non-current classification

All assets and liabilities have been classified and disclosed as current or non-current as per the Company's normal operating cycle and other criteria set out in division II of Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as up to twelve months for the purpose of current or non-current classification of assets and liabilities.

Basis of measurement

The financial statements have been prepared on a historical cost basis, except for the assets and liabilities that require measurement at fair value in accordance with Ind AS. These assets and liabilities mainly consist of biological assets and certain financial instruments (including derivative instruments). In addition, the carrying values of recognised liabilities that are designated as hedged items in fair value hedges that would otherwise be carried at amortised cost are adjusted to record changes in the fair values attributable to the risks that are being hedged in effective hedge relationships.

The financial statements are presented in Indian Rupees and all values are rounded to the nearest lakhs (INR 00,000) except otherwise indicated.

IMPACT OF COVID 19

COVID 19 was declared as a worldwide epidemic and caused slowdown and disruption in India as well as most parts of the world. Businesses were forced to cease or limit their operations for long or indefinite period of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

businesses worldwide, resulting in an economic slowdown.

The company has considered the possible effects that may result from the pandemic on its financial position and financial performance. In assessing the recoverability of Company's assets such as Investments, Loans, Intangible Assets, Goodwill, Trade receivable, Inventories, Biological Assets, etc. the Company has considered possible future uncertainties and used internal and external information in developing necessary assumptions and estimates. As at the date of approval of these financial statements, the Company has performed sensitivity analysis on the assumptions used based on internal and external sources / indicators of future economic conditions and expectation to recover at least the carrying amount of the assets.

The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

1.3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Key accounting estimates and judgements

The preparation and presentation of financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities on the date of the financial statements and reported amounts of revenues and expenses during the period.

Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Accounting estimates could change from period to period. Any revision to accounting estimates is recognized prospectively in the current and future periods, and if material, their effects are disclosed in the financial statements. Actual results could differ from the estimates. Any difference between the actual results and estimates are recognized in the period in which the results are known/materialize.

Information about critical judgements in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

1. Measurement of defined benefit obligations.
2. Measurement and likelihood of occurrence of contingencies.
3. Recognition of deferred tax assets.
4. Impairment of intangible assets.
5. Measurement and recognition of cash flow hedges.
6. Determination of fair value of biological assets.

b. Property, plant and equipment

Property, plant and equipment are stated at historical cost less accumulated depreciation and impairment losses, if any; except for land including lease hold land, which is stated at cost less impairment, if any. Cost comprises of purchase price net of trade discounts and rebates, non-refundable duties and taxes, any directly attributable cost of bringing the asset to its working condition for its intended use. Cost also includes borrowing cost directly attributable to acquisition / construction of a qualifying asset up to the date the asset is ready for its intended use.

Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

of the item can be measured reliably.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

Capital work-in-progress comprises the cost of property, plant and equipment that are yet not ready for their intended use at the balance sheet date.

The depreciable amount of a depreciable property, plant and equipment is allocated on a systematic basis to each accounting period over the useful life of the asset. Management's estimate of useful life is as stipulated in Schedule II to the Companies Act, 2013.

The useful life is for the whole of the asset, except where cost of a part of the asset is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part ("component") is determined separately and the depreciable amount of the said component is allocated on a systematic basis to each accounting period during the useful life of the asset.

In arriving at the depreciable amount, residual values considered are not more than 5% of the original cost of the asset. The residual values and useful lives of property, plant and equipment are reviewed at each financial year end and adjusted if appropriate.

Leasehold improvements are amortised over a period of lease or useful life whichever is less.

Depreciation on assets acquired during the year is calculated on a pro-rata basis from the date of addition. Similarly, depreciation on assets sold, discarded, demolished or destroyed during the year is also calculated on a pro-rata basis up to the date on which such asset has been sold, discarded, demolished or destroyed. Depreciable assets costing up to Rupees 5,000/- are depreciated fully in the year of acquisition.

c. Business combinations and goodwill

Business combinations are accounted for using the acquisition method. The cost of acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value. Acquisition-related costs are expensed as incurred.

When the Company acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts by the acquiree.

Any contingent consideration to be transferred by the acquirer will be recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of Ind AS 109 Financial Instruments, is measured at fair value with changes in fair value recognised either in profit or loss or as a change to other comprehensive income (herein after referred to as "OCI"). If the contingent consideration is not within the scope of Ind AS 109, it is measured in accordance with the appropriate Ind AS. Contingent consideration that is classified as equity is not re-measured and subsequent settlement is accounted for within equity.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the Company reassesses whether it has correctly identified all of the assets acquired and all of the liabilities

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

assumed and reviews the procedures used to measure the amounts to be recognised at the acquisition date. If the reassessment still results in an excess of the fair value of net assets acquired over the aggregate consideration transferred, then the gain is recognised in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through OCI.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Company's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

Where goodwill has been allocated to a cash-generating unit and part of the operation within that unit is disposed of, the goodwill associated with the disposed operation is included in the carrying amount of the operation when determining the gain or loss on disposal. Goodwill disposed in these circumstances is measured based on the relative values of the disposed operation and the portion of the cash-generating unit retained.

d. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite. An intangible asset shall be regarded by the entity as having an indefinite useful life when, based on an analysis of all of the relevant factors, there is no foreseeable limit to the period over which the asset is expected to generate net cash inflows for the entity. Indefinite life intangibles mainly consist of brands/ trade mark/ Technical know-how etc. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues. If not, it is impaired or changed prospectively basis revised estimates.

Intangible assets with finite lives are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates.

Intangible assets with indefinite useful lives are not amortized, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

The amortization expense on intangible assets is recognised in the statement of profit and loss.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

Acquired intangible assets are amortized on a straight line basis over the useful lives of the intangible assets, as estimated by the management. Management estimate of useful life of Intangible assets

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

are as follows:

Software	-	3 years
Trade mark/Technical know-how/License cost	-	5 years

e. Impairment of assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated.

These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to projected future cash flows after the fifth year.

Impairment losses of continuing operations, including impairment on inventories, are recognised in profit or loss section of the statement of profit and loss.

If, in a subsequent period, the amount of the impairment loss decrease and the decrease can be related objectively to an event occurring after the impairment loss was recognised, the reversal of the previously recognised impairment loss is recognised in profit or loss section of the statement of profit and loss.

f. Fair value measurement

The Company measures financial instruments such as derivatives and certain non-financial assets such as biological assets, at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, In the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Management of the Company determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and for non-recurring measurement, such as assets held for distribution in discontinued operations.

Independent external valuers are involved for valuation of derivative for hedge agreements. Criteria for selection of the independent external valuers include market knowledge, reputation, independence and whether professional standards are maintained. The management decides, after discussions with the independent external valuers, which valuation techniques and inputs to use for each case.

At each reporting date, the Company analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Company, in conjunction with the Company's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

g. Income Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting nor taxable profit or loss.

The deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, to the extent it would be available for set off against future current income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefits associated with the asset will be realised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss.

Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

h. Government grants

Government grants are recognized by the company where there is reasonable assurance that the grant will be received and all the attached conditions will be complied with. Revenue grants are recognized in the statement of profit and loss in the same period, in which the related costs are incurred are accounted for.

Government grants related to assets are recognized / presented as deferred income, i.e. wherever the company receives capital grants towards asset acquisition, the grant received thereon are recognized as an income in the statement of profit and loss over the useful life of the asset.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

i. Inventories

Inventories are valued at lower of cost and net realizable value (except as otherwise stated) on an item-by-item basis, as under:

Raw materials, packing materials, stores and spares:

Cost of inventory comprises all costs of purchase, duties and taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventories to their present location and condition. Raw materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on a first-in first-out formula.

Cost of oilseeds inventories is determined on quarterly moving weighted average basis.

Work-in-progress and finished goods:

Cost includes direct materials and costs of conversion in the form of Labour and a systematic allocation of fixed and variable production overheads. It also includes other costs which are incurred in bringing the inventories to their present location and condition. The allocation of fixed production overheads is based on normal capacity of production. Realisable value of pre-determined normal rate of scrap is deducted from the cost of inventories. However, cost of inventories neither includes abnormal amounts of wasted material nor any scrap realisations there from.

By products and scrap are recognised at their net realisable value.

For the production processes which result in more than one product being produced, costs of conversion are allocated between the joint products based on relative sales value of each product at the stage when the products become separately identifiable. Net realizable value of by-products as well as scrap is deducted from the cost of main product.

Stock-in-trade:

Cost includes cost of purchases, duties and taxes (other than those subsequently recoverable from authorities) and other costs which are incurred in bringing the inventories to their present location and condition. Cost is determined on a first-in first-out formula.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make sale.

j. Biological Assets

Biological assets include Poultry for live-stock breeding parent (Broiler and Layer), hatching eggs and live commercial birds (Broiler and Layer).

Biological assets, except breeder flocks and commercial layer birds are measured at fair value less cost to sell.

The valuation of the Breeder biological assets and commercial layer birds are determined on the following basis:

Birds are used for captive consumption or to support farmers, it is uncommon to be sold before the end of its useful life and as such, there is no active market for the Company's useful breeding stock and commercial layer birds. Other references to market prices such as market prices for similar assets are also not available due to the uniqueness of the breed. Valuation based on a discounted cash flow method is considered to be unreliable given the uncertainty with respect to mortality rates and production. Consequently, breeder flocks and commercial layer birds are measured at cost, less depreciation and impairment losses.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Breeder flocks are depreciated over the production cycle which is estimated to be ten to twelve months on average based on anticipated output month to month.

The fair value of the consumable biological assets is determined on the following basis:

The fair values of biological assets are level 3 fair values and are determined based on market prices or where market prices are not available, by reference to sector benchmarks.

Level 1 inputs could not be used due to the unique breed used by the Company due to which identical products are not available in the market.

Level 2 inputs require adjustments to be made in quoted or unquoted prices available for similar products. The qualitative adjustments are highly subjective and may not show the true & fair picture. Hence, Level 2 inputs are ruled out from the selection criteria of valuation.

Gain and losses arising on the initial recognition of biological asset at fair value less estimated point of sale costs and from a change in fair value less estimated point-of-sale costs are recognised in the statement of profit and loss in the period in which they arise.

k. Investments and other financial assets

Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortized cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit and loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

Measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss account.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the assets and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- Amortized cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in interest income using the effective interest rate method.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

- Fair value through other comprehensive income (FVOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the asset's cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

- Fair value through profit or loss

Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt instrument that is subsequently measured at fair value through profit or loss and is not part of hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost and FVOCI debt instruments. Note 7.3 details how the Company assesses the impairment losses.

Derecognition of financial assets

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Whether the Company has not transferred substantially all risks and rewards of ownership of financial asset, the financial asset is not derecognised.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Derivatives and hedging activities

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The accounting for subsequent changes in fair value depends on whether the derivative is designated as a hedging instrument, if so, the nature of the item being hedged and the type of hedge relationship designated.

The Company designates their derivatives as hedges of foreign exchange risk associated with the cash flows of highly probable forecast transactions and variable interest rate risk associated with borrowings (Cash flow hedges).

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

The Company documents at the beginning of the hedging transaction the economic relationship between hedging instruments and hedged items including whether the hedging instrument is expected to offset changes in the cash flows of hedge items. The Company documents its risk management objective and strategy for undertaking various hedge transactions at the inception of each hedge relationship.

The fair value of a hedging derivative is classified as a non-current asset or liability when the remaining maturity of the hedged item is more than 12 months. It is classified as a current asset or liability when the remaining maturity of the hedged item is less than 12 months.

Cash flow hedges that qualify for hedge accounting

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in the other comprehensive income in cash flow hedge reserve within equity, limited to the cumulative change in fair value of the hedged item on a present value basis from the inception of the hedge. The gain or loss relating to the ineffective portion is recognised immediately in profit or loss, within other gains/ (losses).

When option contracts are used to hedge forecast transactions, the Company designates only the intrinsic value of the option contract as the hedging instrument. Gains or losses relating to the effective portion of the change in intrinsic value of the option contracts are recognised in the cash flow hedging reserve within equity. The changes in the fair value of the option contracts that relate to the hedged item ('aligned time value') are recognised within other comprehensive income in the costs of hedging reserve within equity.

When forward contracts are used to hedge forecast transactions, the Company designates the full change in the fair value of the forward contract (including forward points) as the hedging instrument. Gains or losses relating to the effective portion of the change in fair value of the entire forward contract are recognised in the cash flow hedging reserve within equity.

Amounts accumulated in equity are reclassified to profit or loss in the periods when the hedge item affects profit or loss.

When a hedging instrument expires, or is sold or terminated, or when a hedge no longer meets the criteria for hedge accounting, any accumulated deferred gain or loss and deferred costs of hedging in equity at that time remains in equity until the forecast transaction occurs. When the forecast transaction is no longer expected to occur, the cumulative gain or loss and deferred cost of hedging that were reported in equity are immediately reclassified to profit or loss within other gains/(losses).

If the hedge ratio for risk management purpose is no longer optimal but the risk management objective remains unchanged and the hedge continues to qualify for hedge accounting, the hedge relationship will be rebalanced by adjusting either the volume of the hedging instrument or the volume of the hedge item so that the hedge ratio aligns with the ratio used for risk management purpose. Any hedge ineffectiveness is calculated and accounted for in profit or loss at the time of hedge relationship rebalancing.

l. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

m. Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

n. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, cash on deposit with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown in current liabilities in the balance sheet.

o. Borrowings

Borrowings are initially recognised at fair value, net of transactions cost incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent, there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has not extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/ (losses).

p. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset till the asset is ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest expense recognised in the profit and loss account over the period of borrowing using effective interest method and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

q. Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A disclosure for contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an out flow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

r. Trade and other payables

Trade and other payables are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

s. Revenue recognition

Revenue from contracts with customers is recognized on satisfaction of performance obligation, which occurs on transfer of control of promised goods or services to a customer i.e. at a point in time, at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

The Performance Obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.

Interest Income

Interest income is recognised using effective interest method on time proportion basis taking in to account the amount outstanding.

Dividend income

Dividend income is recognised when the Company's right to receive is established by the reporting date, which is generally when shareholders approve the dividend.

t. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease, if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee

The Company's lease asset classes primarily consist of leases for land and buildings. The Company, at the inception of a contract, assesses whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration. This policy has been applied to contracts existing and entered into on or after April 1, 2019.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

in the statement of profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets (assets of less than INR 1 Lakh in value). The Company recognises the lease payments associated with these leases as an expense over the lease term.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

The Company has decided to recognise operating lease as expense/ income on a straight-line basis since the management believes that straight-line method is more representative of the time pattern of the user's benefit.

u. Foreign currencies

The Company's financial statements are presented in Indian Rupees, which is also the Company's functional currency. Items included in the financial statements of the Company are recorded using the currency of the primary economic environment in which the Company operates (the "functional currency").

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at functional currency spot rates of exchange at the reporting date. Differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

v. Employee benefits

Short term employee benefits

All employee benefits which are expected to be settled wholly within twelve months after the end of the period in which employee renders the related service are classified as short-term employee benefits. Undiscounted value of short term benefits such as salaries, wages, bonus and ex-gratia are recognized in the period in which the employee renders the related service.

Post-employment benefits

Defined Contribution Plans:

The Company's Employee's Provident Fund scheme, Employee's State Insurance Scheme and Employee's Superannuation Scheme are defined contribution plans. The Company's contribution

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

payable under the schemes is recognized as an expense in the statement of profit and loss during the period in which the employee renders the related service.

Defined benefit plan

Gratuity

The Company operates a defined benefit gratuity plan, which requires contributions to be made to a separately administered fund. The surplus or deficit arising in the defined benefit plan on the balance sheet date comprises of the total for each of the fair value of plan assets less the present value of the defined liabilities.

The cost of providing benefits under the defined benefit plan is determined based on independent actuarial valuation using the projected unit credit method. The gratuity liability is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, is based on the market yield on government securities as at the balance sheet date.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in profit or loss on the earlier of:

The date of the plan amendment or curtailment, and

The date that the Group recognises related restructuring cost.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income.

Other long term employee benefits:

Entitlement to annual leave is recognized when they accrue to employees. Annual leave can either be availed or en-cashed subject to a restriction on the maximum number of accumulation of leaves. The present value of the liability is determined based on independent actuarial valuation using the Projected Unit credit method. The discount rates used for determining the present value of the liability is based on the market yields on Government securities as at the balance sheet date. Actuarial gains and losses are recognized immediately in the statement of profit & loss.

w. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the management of the company.

Identification of segments

The Company's management examines the Company's performance both from a product and geographic perspective. The Company's operating businesses are organised and managed separately according to the nature of products, with each segment representing a strategic unit that offers different products and serves different markets.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

The analysis of the geographical segments is based on the areas in which major operating divisions of the Company operate. Revenues and receivables are specified by location of customers while other geographical information is specified by the location of the assets. Since all the assets are located in India and revenue from customers located out of India is less than 10% of total revenue, there are no reportable geographical segments.

Intersegment transfers

The Company accounts for intersegment sales on the basis of price charged for inter segments transfers.

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Unallocated items

Unallocated items include general corporate income and expense items which are not allocated to any business segment.

Segment accounting policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

x. Earnings per share

Earnings per share (EPS) is calculated by dividing the net profit for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and weighted average number of shares outstanding during the period is adjusted for the effects of all diluted potential equity shares.

At the end of the year	437.96	252.49	252.62
Net Carrying Value	654.46	1,009.94	22.63

* The right of use of assets is towards the various facilities taken on lease.

Notes:

7 The Company tests Goodwill impairment at the end of each reporting period annually.

Net carrying value of Goodwill of Rs. 1,009.94 Lakhs relates to the acquisition of North based poultry from Venkateshwara Hatcheries Private Limited in March 2014 situated at Naraingarh - Haryana and Nalagarh - Himachal Pradesh. This division is engaged in the production of commercial layer chicks.

The recoverable amount of each Cash Generating Unit ("CGU") is determined based on value-in-use calculations. These calculations use cash flow projections based on financial budgets approved by management, which include assumptions on profit before interest and tax, depreciation, working capital movements and capital maintenance expenditure.

Cash flows have been forecasted to grow at 8%. Cash flows beyond a five-year period are extrapolated using the estimated growth rates stated below.

Key assumptions used in the goodwill impairment test:

Discount rate (%)	Perpetuity growth rate (%)	Period (years)
14%	3%	5

The perpetuity growth rate is consistent with long-term industry growth forecasts.

The discount rate reflects specific risks relating to the CGU.

No impairment was required in the current year.

Sensitivity analysis of assumptions used in the goodwill impairment test:

Discount rate – (%) -1%	Perpetuity growth rate – (%) -1%	Cash flow growth rate – (%) -1%
– Impairment (Rs) _Nil	– Impairment (Rs) _Nil	– Impairment (Rs) _Nil

Nature and purpose of reserves

(a) Capital Reserves:

Amount received on reissue of forfeited shares and debentures is treated as capital reserve.

During amalgamation, the excess of net assets taken, over the cost of consideration paid is treated as capital reserve.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

- (b) General Reserve: The Company has transferred a portion of the net profit of the Company before declaring dividend to general reserve pursuant to the earlier provisions of Companies Act, 1956. Mandatory transfer to general reserve is not required under the Companies Act, 2013. However, the Company has voluntarily transferred an amount of Rs. 5,000 Lakhs (Previous year Rs. "Nil") to general reserve.
- (c) Retained Earnings: Retained earnings are the profits earned/losses incurred that the Company has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders.
- Re-measurement gains / (losses) on defined benefit plans: Differences between the interest income on plan assets and the return actually achieved, and any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised in 'Other comprehensive income' and subsequently not reclassified to the Statement of Profit and Loss.
- d) Cash flow Hedge Reserve: The fair value change of the effective portion of the hedge agreements entered with bankers measured at fair value through other comprehensive income is recognised in effective portion of cash flow hedge reserve.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Fair value estimation

Ind AS 113 requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (Level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (Level 3).

The following table presents the Company's assets and liabilities that are measured at fair value as at:

	(Rupees in Lakhs)			
	Level 1	Level 2	Level 3	Total
31st March 2021				
Assets				
- Investments in mutual funds	4,515.90	-	-	4,515.90
- Biological assets	-	-	10,862.46	10,862.46
31st March 2020				
Assets				
- Investments in mutual funds	703.05	-	-	703.05
- Derivative assets	-	190.19	-	190.19
- Biological assets	-	-	1,614.67	1,614.67

The fair value of financial instruments traded in active markets is based on quoted market prices at the reporting date. A market is regarded as active if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis. The quoted market price used for financial assets held by the company is the current bid price. These instruments are included in Level 1. Instruments included in Level 1 comprise of investments in mutual funds.

The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2. Instruments included in Level 2 comprise of derivative assets taken for hedging purpose.

If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

The following valuation techniques and significant inputs were used to measure the level 3 inputs.

In measuring the fair value of biological assets, management estimates and judgements are required for the determination of fair value.

These estimates and judgements relate to the market prices, average weight and quality of animals and mortality rates.

Description	Fair value as at 31 March 2021	Unobservable input	Range of unobservable input	Relationship of unobservable input to fair value
Biological assets	10,862.46	Hatching Eggs per hen	188 -260 Eggs	The higher the eggs per hen, the higher the fair value
		Cost of a day old breeder bird	Rs. 280 - Rs. 300 per chick	The higher the cost per chick, the lower the fair value
		Mortality	5.00%	The higher the mortality, the lower the fair value
		Feed cost	Rs. 25,000/- - Rs. 32,000/- per ton,	The higher the feed cost per ton, the lower the fair value
		Average Body Weight	1.75 kgs - 2.50 kg per bird	The higher the average body weight, the higher the fair value
		Feed Conversion Ratio	3.20 kg - 3.80 kg per bird	The higher the feed conversion ratio, the lower the fair value

Sensitivity analysis

A sensitivity analysis is shown for the significant unobservable inputs below:

Input	Sensitivity
Feed cost	A 5% change in the feed cost would result in a Rs. 50.05 Lakhs change in fair value.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

7.3 FINANCIAL RISK MANAGEMENT

Financial risk factors

This note presents information about the Company's exposure to financial risks, the Company's objectives, policies and processes for measuring and managing these risks and the Company's management of capital.

The Company's financial instruments consist primarily of cash and cash equivalents, investment in mutual funds, derivatives taken for hedge purpose, loans receivable, trade and other receivables and payables and long term and short borrowings. In the normal course of business, the Company is exposed to credit, liquidity and market risk. In order to manage certain of these risks, the Company may enter into transactions which make use of derivatives. They include forward exchange contracts, interest rate swaps, cross currency swaps and options. The Company does not speculate in derivative instruments. Certain of the Company's forward exchange contracts qualify as designated hedges for accounting purposes.

The Board has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training, management standards and procedures, aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Audit Committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivable from customers. Credit risk primarily relates to trade and other receivables.

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of counterparty to which the Company grants credit terms in the normal course of business.

The Company has used expected credit loss (ECL) model for assessing the impairment loss. For the purpose, the Company uses a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data of credit losses from various customers.

Other receivables consist primarily of security deposits, loans to employees and other receivables.

The risk of default is assessed as low.

Liquidity risk

The Company actively monitors its cash flows to ensure there is sufficient cash available to meet its working capital requirements. Due to the dynamic nature of the underlying businesses, the Company

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's cash and cash equivalents on the basis of expected cash flow.

The Company's current trade and other payables are all due within one year.

The table below summarises the maturity profile of the Company's financial liabilities as at 31st March 2021 based on contractual undiscounted payments:

(Rupees in lakhs)

Particulars	Less than 1 year	1-2 years	2-3 years	More than 3 years	Total
Long term borrowings	800.00	800.00	480.95	-	2,080.95
Short term borrowings	16,098.03	-	-	-	16,098.03
Lease liabilities	173.18	89.33	65.51	87.95	415.97
Trade payables	35,196.23	-	-	-	35,196.23
Other financial liabilities	885.97	46.41	38.00	59.50	1,029.88

Market risk

Interest rate risk

The Company is exposed to interest rate risk on its cash and cash equivalents, long-term loans and borrowings, which can have an impact on the cash flows of these instruments. The exposure to interest rate risk is managed through the Company's Board by using counterparties that offer the best rates which enables the Company to maximise returns whilst minimising risk.

In response to interest rate risk on the variable rate portion of the external borrowings, the Company has entered into hedge derivatives which are effective till the maturity of external borrowings. For the other borrowings, interest is paid on monthly basis based on the actual interest rate prevailing during the month. Hence, the Company is not significantly exposed to interest rate risk on such borrowings.

Foreign currency risk

In the normal course of business the Company enters into transactions denominated in Indian Rupees and few transactions in foreign currencies. The Company has also taken external commercial borrowings denominated in US\$. As a result, the Company is subject to exposure from fluctuations in foreign currency exchange rates. The Company utilises forward exchange contracts and currency options to minimise foreign currency exchange risk on external commercial borrowings in terms of its risk management policy. All forward exchange contracts and currency options are supported by underlying transactions. Company's exposure to unhedged foreign currency changes is not significant.

The hedges in respect of currency risk are expected to mature in line with the maturity of external commercial borrowings.

There was no ineffectiveness to be recorded from the cash flow hedges.

Commodity price and procurement risk

Commodity price risk arises from the risk of an adverse effect on current or future earnings from fluctuations in the prices of commodities.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

The principal directive is to procure commodities at the lowest cost to meet forecast requirements, both internally and for external sales. The overall procurement strategy and net positions are reported monthly to the Board and the oversight committees. The oversight committees are responsible for the setting of the monthly company view with regard to future price movements. The daily trading by the procurement teams are restricted in terms of this company view, unless prior approval is obtained from the oversight Committees.

Capital risk management

The Board's policy is to maintain a strong capital base so as to maintain shareholder, creditor and market confidence and to sustain the future development needs of the business. The Board monitors both the spread of shareholders return on equity (which is defined as profit for the year expressed as a percentage of average total equity) and the level of dividends paid to shareholders. There were no changes to the Company's approach to capital management during the year.

Total Equity includes General Reserve, Effective portion of Hedge Reserve, Retained Earnings and Share Capital. Total Debt includes current debt plus non-current debt.

(b) Plan description : Gratuity and compensated absences plan			
(i) Gratuity (Funded)			
<p>The Company makes annual contributions to the gratuity fund managed by ICICI Prudential Life Insurance Company Ltd., a funded defined benefit plan for qualifying employees. The scheme provides for lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service or part thereof in excess of 6 months. Vesting occurs only upon completion of 5 years of service, except in case of death or permanent disability. The present value of the defined benefit obligation and the related current service cost are measured using the projected unit credit method with actuarial valuation being carried out at balance sheet date by an independent actuary appointed by the Company.</p>			
(ii) Compensated absences (Non Funded)			
<p>The present value of the defined benefit obligation and the related current service cost are measured using the projected unit credit method with actuarial valuation being carried out at balance sheet date by an independent actuary appointed by the Company.</p>

(Rupees in Lakhs)

(f) The major categories of plan assets as a percentage of total plan assets.

Particulars	% of total investments as at	
	31 st March, 2021	31 st March, 2020
Funds Managed by Insurer	100.00	100.00
Total	100.00	100.00

(g) Sensitivity Analysis - Gratuity and compensated absences plan

Sensitivity for significant actuarial assumptions is computed by varying one actuarial assumption by one percentage, keeping all other actuarial assumptions constant.

(Rupees in lakhs)

	Particulars	Gratuity (Funded)	Leave Encashment (Unfunded)
I	When Discount rate is decreased or increased by 100 basis point :		
	5.90%	6,870.95	1,994.81
	7.90%	5,655.43	1,709.12
II	When Rate of escalation in salary is decreased or increased by 100 basis point :		
	7.00%	5,705.93	1,724.87
	9.00%	6,797.08	1,973.72
III	When Withdrawal rate is decreased or increased by 100 basis point :		
	- Decreased by 1%	6,265.42	1,803.01
	- Increased by 1%	6,167.74	1,876.08

(h) Expected contribution for future period:

The Company intends to contribute Rs. 600.00 Lakhs towards its gratuity fund during the financial year 2021-22.

(i) Weighted average duration

Weighted average duration of the plan (based on discounted cash flows using mortality, withdrawal rate and interest rate) is 15.06 years.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

(j) Risk Exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

Liability Risks

a. Asset liability mismatch risk

Risk which arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the company is successfully able to neutralize valuation swings caused by interest rate movements.

b. Discount Rate Risk

Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practise can have a significant impact on the defined benefit liabilities.

c. Future Salary Escalation and Inflation Risk -

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

Asset Risks

All plan assets are maintained in a trust fund managed by a private sector insurer viz; ICICI Prudential Life insurance of India. The company has opted for a unit-linked fund which is market linked with options to invest in equity funds. The company has the option to structure the portfolio based on its risk appetite providing an opportunity to earn market linked returns. But there is an investment risk here which is borne by the company. A single account is maintained for both investment and claim settlement and hence 100% liquidity is ensured.

11.1 SEGMENT REPORTING

Business segment

The Company's management examines the Company's performance both from a product and geographic perspective and has identified three reportable segments of its business. The 'Poultry and Poultry Products' segment produces and sells chicks, grownup commercial broiler and layer, processed chicken, S.P.F. eggs, poultry feed and other miscellaneous poultry products. The 'Animal Health Products' segment produces and sells medicines and other health products for birds. The 'Oilseed Segment' produces and sells edible refined soya oil and soya de-oiled cake.

The operating businesses are organised and managed separately according to the nature of the products, with each segment representing a strategic business unit that offers different products and serves different markets. Transfer price between segments are measured on the basis of price charged for inter segment transfers. Segment revenue includes transfer between inter segments. Those transfers are eliminated in total revenue. Corporate expenses are allocated to other segments at cost.

Geographical segment

Revenue and receivables are specified by location of customers while other geographic information is specified by location of the assets.

DIVIDEND DISTRIBUTION POLICY

1. Introduction:

The Securities And Exchange Board of India vide notification No. SEBI/ LAD-NRO/GN/2016-17/008 dated 8th July 2016 amended the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. The said amendment requires top five hundred listed entities based on market capitalization (calculated as on March 31 of every financial year) to formulate a dividend distribution policy which shall be disclosed in their annual reports and on their websites.

2. Applicability:

Venky's (India) Limited, as on 31st March 2018, falls well within the criteria as mentioned above and therefore needs to formulate and disclose the dividend distribution policy as required by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Second Amendment) Regulations, 2016. This policy will be applicable to dividend payable to equity shareholders of the Company.

3. Dividend:

According to the generally accepted definition, "dividend" means the profit of a company that is not retained in business and is distributed amongst the shareholders in proportion to the amount paid-up on the shares held by them. For the purpose of this policy dividend shall mean dividend proposed and payable to equity shareholders only and shall include interim dividend as defined in Section 2(35) of the Companies Act, 2013.

4. Parameters of Dividend Distribution Policy:

- (a) The circumstances under which the shareholders may or may not expect dividend:

The circumstances under which the shareholders may or may not expect dividend depends upon internal as well as external factors which shall be considered by the company while declaring the dividend. Generally, the internal factors may be defined as those factors which are part and parcel of the organization and may be in control of the company whereas external factors are those which are beyond the control of the management. In some cases, both the factors will be inter-connected to each other and decision of dividend will always be taken after jointly considering the factors. In addition to the above, shareholders may not expect dividend in case of inadequacy of profits or losses. The internal and external factors are defined in clause 4 (b) of this policy.

- (b) Internal and external factors that shall be considered for declaration of dividend:

Internal Factors:

- Profit for the year under consideration;
- Expansion plans in near future;
- Availability of surplus funds;
- Short term and long term liabilities of the Company;
- Cyclical nature of business;
- Corporate actions such as Bonus, Split of Shares etc.;
- Past dividend distribution record of the Company.

External Factors:

- State of the economy
- Monsoon
- Industry outlook
- Govt. Rules and Regulations

- Taxation policy
- Environment and Disease outbreak.

(c) The Company will consider the following financial parameters while declaring dividend:

- Cost of borrowing;
- Availability of alternate source of funding;
- Operating cash flows;
- Profitability.

5. Policy as to how the retained earning shall be utilized:

The retained earnings of the company shall be utilised as per the provisions of the Companies Act, 2013 and rules and regulations made thereunder. Generally, retained earnings shall be used for the following purposes:

- Issue of bonus shares;
- Declaration of dividend;
- Funding for expansion plans;
- Repayment of debts.

6. Payout Ratio:

Considering the parameters mentioned in this policy, the Company aims to provide a balance between rewarding its shareholders and retaining earnings for the Company's growth. The Company is engaged in the livestock industry which is prone to several unpredictable factors, like higher volatility in prices of feed ingredients, mis-match in demand and supply, vagaries of climatic conditions etc. Keeping these factors in mind, it is the endeavour of the Company that the dividend amount in each financial year will be stable and steady. Therefore, the Company will distribute dividend upto 10% of its after-tax profits in each financial year.

7. Parameters for various classes of shares:

Currently, the Company has only one class of issued shares i.e. equity shares to which this policy shall be applicable.

8. Changes / modification in the policy:

Any change or modification in the policy shall be made only after prior approval of the Board of Directors of the Company. Any change made in the current policy shall be informed to the shareholders of the Company in its annual report and on the website of the Company i.e. www.venkys.com

BUSINESS RESPONSIBILITY REPORT

3. Governance related to BR

- Indicate the frequency with which the Board of Directors, Committee of the Board or CEO to assess the BR performance of the Company. Within 3 months, 3-6 months, Annually, More than 1 year:

Annually

- Does the Company publish a BR or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?

The Business Responsibility report is published in Annual Report and the same is available on website of the company i.e. www.venkys.com.

SECTION E: PRINCIPLE-WISE PERFORMANCE

Principle 1

1. Does the policy relating to ethics, bribery and corruption cover only the Company? Does it extend to the Group/Joint Ventures/ Suppliers/Contractors/NGOs /Others?

The policy relating to ethics, bribery and corruption does not only cover the Company but also it is applicable to the stakeholders of the Company. The stakeholders of the Company include the employees and suppliers associated with the Company.

The Company has put in place policy which emphasizes on good ethical practices within the organization. The policy extends not only to the entire group but also to the Suppliers, Contractors of the Company. The Company, in its day to day operations, always accentuate on fair and transparent business practices which inter alia debars acceptance of bribe as well as giving bribe. While effectively monitoring the above practices in the organization the Company believes the agenda of "Corruption Free Business".

2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

In the past financial year the company has not received any complaint from its stakeholders in this segment.

Principle 2

1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.

As a leader in poultry industry the Company has employed state of the art technology in its operations. The operations of the Company ensure that it shall not disturb the ecology and environmental balance surrounding to it. For this, the Company has adopted the latest technology which is at par with the global standards.

- (a) The "Venky's XPRS" chain of retail outlets of the Company has put in place clean and best hygienic practices for preparation and serving food items at the restaurant as well as for the take away products.
- (b) The live bird operations of the Company ensure safety and optimal use of resources over the life-cycle of the product – from design to disposal. The waste generated from these operations is biodegradable in nature, is recycled and used in poultry activities and other allied activities like agriculture. The Company also regularly reviews and improves the process of new technology development, so as to incorporate social, ethical, and environmental considerations.
- (c) The Company is also in the business of processed chicken products which are being sold through retail outlets as well as through various chain of suppliers/ distributors. The Company ensures that the manufacturing processes and technologies required to produce these products are resource efficient and sustainable. It also follows all the statutory guideline pertaining to the packaging, disclosure of information which results in consumer awareness.

2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):

- (a) Reduction during sourcing /production / distribution achieved since the previous year throughout the value chain?

The abovementioned operations/ technology results into use of less water at the plant. The water which is used in operational functions is being recycled and used in the plant itself for gardening and plantation purpose. The equipment's used in the "Venky's XPRS" retail chain outlet are based on electrical installation which eliminates usage of LPG gas which in turn reduces the environmental pollution. The Company has also installed solar power plant at one of its unit which helps in saving electricity from conventional methods.

- (b) Reduction during usage by consumers (energy, water) has been achieved since the previous year?

The products mentioned herein above even though are not being used by the consumers directly but in the process of design to disposal they are environment friendly products which has less adverse impact on the environment.

Venky's (India) Limited

3. Does the Company have procedures in place for sustainable sourcing (including transportation)?

- (a) If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.

Apart from the required energy and water, inputs used in poultry industry are basically agricultural produce and land. The Company is effectively treating the water used in its farms, hatcheries, units and re-using the same. This reduces the requirement of fresh water substantially thereby saving water. The poultry industry is generally not a "High Technology Intensive Industry" and hence it has less environmental impact compared to other industries. The Company has in place the sustainable sourcing practices including transportation.

4. Has the Company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work?

The Company along with its poultry farming operations also carries out the business of poultry feeds and feed supplements. The main ingredients of the poultry feed are Soya and Maize. The Company directly procures the agricultural produce like soya from local farmers in the area where company is operating, thereby eliminating the role of mediators. The Company while procuring good quality of material (Soya & Maize) from farmers gives them competitive rate in the market.

- (a) If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

The Company has from time to time interacted and educated farmers about latest available practices in farming. It has always encouraged the framers to produce the best quality of Soya and Maize. While doing this the Company has provided comfort to the farmers to buy their produces at remunerative prices.

5. Does the Company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

The Company's live chicken business does not generate any hazardous waste. All the waste generated is bio-degradable and used in some form or other. Further in case of processed chicken products, the Company has set up rendering plants which recycles the waste generated and the same is re-usable. The Company believes in minimum waste generation and optimum resource utilization. In line with several environmental rules & regulations mandated by Central /State Government the Company has set up a mechanism for waste minimization and its recycling. The products which are being sold by the Company in the domestic market as well as outside India are packed in the recyclable material.

Principle 3

1. Please indicate the total number of employees: 5346
2. Please indicate the total number of employees hired on temporary/contractual/casual basis:
1985
3. Please indicate the number of permanent women employees: 306
4. Please indicate the number of permanent employees with disabilities: 9
5. Do you have an employee association that is recognized by management: Yes
6. What percentage of your permanent employees is members of this recognized employee association:
20.03%
7. Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.: NIL

S. No.	Category	No of complaints filed during the financial year	No of complaints pending as on end of the financial year
1	Child labour/ forced labour/involuntary labour	NIL	NIL
2	Sexual harassment	NIL	NIL
3	Discriminatory employment	NIL	NIL

8. What percentage of your under mentioned employees were given safety & skill up-gradation training in the last year?

The Company on a continuous basis provides knowledge upgradation and training to its employees and encourages them for keeping themselves updated with the current trends and changes in the market.

Principle 4

1. Has the Company mapped its internal and external stakeholders? Yes/No

Yes. The Company has made the analysis and has identified the internal and external stakeholders. The details of which are as follows:

a) Internal Stakeholders:

- 1) Employees
- 2) Suppliers/ Vendors
- 3) Shareholders
- 4) Customers
- 5) Bankers

b) External Stakeholders

- 1) Government & Government Agencies
- 2) Society at large

2. Out of the above, has the Company identified the disadvantaged, vulnerable & marginalized stakeholders.

The Company has identified disadvantaged, vulnerable & marginalized stakeholders. To address the concerns of the weaker section of the society, the Company through its CSR activities strives to reduce hunger and poverty. Further it also provides for education to weaker section of society. For its employees the Company has provided medical insurance facilities and thereby has secured the health and wealth of vulnerable class of employees.

3. Are there any special initiatives taken by the Company to engage with the disadvantaged, vulnerable and marginalized stakeholders. If so, provide details thereof, in about 50 words

The Company, through Charitable Foundations, is involved in providing education and medical facilities to vulnerable and marginalized stakeholders and is also engaged in rural development projects. Further, the Company also provides free chicken and eggs to orphanages and other weaker section of society. The Company intends to provide good quality, safe and protein rich food such as eggs and chicken to disadvantaged section of the society thereby taking care of their daily food needs. Further, during the outbreak of COVID-19 pandemic and lockdowns imposed by government machinery, the Company has provided medical help and food to the disadvantaged section of the society.

Principle 5

1. Does the policy of the Company on human rights cover only the Company or extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?

At present the policy covers the Company and its employees. The Company always respects rights of human beings and society at large and has inculcated the same values in its management systems.

Venky's (India) Limited

The Company strives to ensure that all its partners in the value chain are fitting in the broad parameters of such principles.

2. How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

The Company did not receive any stakeholder complaints under this segment in the past financial year.

Principle 6

1. Does the policy related to Principle 6 cover only the Company or extends to the Group/Joint Ventures/Suppliers/Contractors/NGOs/others.

At present the policy covers the Company, its employees and its Group Companies.

2. Does the Company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc? Y/N. If yes, please give hyperlink for webpage etc.

The Company has state-of-the-art equipment's and machinery installed at its farms, hatcheries and other production facilities. The Company always prefers recyclable and sustainable materials in its process of operations. These systems contribute towards addressing environmental issues such as climate change and global warming.

3. Does the Company identify and assess potential environmental risks? Y/N

Yes. The Company has an ongoing process of identifying and assessing potential environmental risks due to its operations at all the units so that such risks can be avoided or mitigated in unavoidable circumstances.

4. Does the Company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if Yes, whether any environmental compliance report is filed?

All units of the Company are complying with the applicable environmental norms. The Company has done massive tree plantation at its units for a better environment.

5. Has the Company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc. Y/N. If yes, please give hyperlink for web page etc.

The Company is involved in livestock operations hence requires uninterrupted supply of electricity. It uses the best available eco-friendly power generators and other systems for its operations.

6. Are the Emissions/Waste generated by the Company within the permissible limits given by CPCB/SPCB for the financial year being reported?

Yes.

7. Number of show cause/ legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.

As on 31.03.2021 there are no pending show cause / legal notices.

Principle 7

1. Is your Company a member of any trade and chamber or association? If Yes, Name only those major ones that your business deals with:

The Company is a member of national level associations engaged in protecting interest of Poultry Farmers in India. It is a member of associations such as Poultry Development Promotion Council of India and also local associations such as Mahratta Chamber Of Commerce Industries & Agriculture.

2. Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No; if yes specify the broad areas (drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, Others)

The Company is always part of such initiatives which are beneficial to all the poultry farmers, big or small, of India which can be categorized in inclusive development policies and food security.

Principle 8

1. Does the Company have specified programmes/initiatives/projects in pursuit of the policy related to Principle 8? If yes, details thereof.

The Company is mindful of social and economic development of the society at large. India is a protein deficient country and the Company, being in the business of poultry, strives to provide protein rich sources of food at affordable prices. This is the foregoing objective of the Company resulting in promoting wellbeing of the society. Further, since most of the units of the Company are located in rural / remote areas, the Company assures to include local persons in its operations, develop the surroundings through better roads, aided education and medical help.

2. Are the programmes/projects undertaken through in-house team/own foundation / external NGO/ government structures/any other organization?

The projects are undertaken by the Company itself or through other charitable foundations etc.

3. Have you done any impact assessment of your initiative?

The impact assessment of the Company's efforts in this segment is an ongoing process and gradual increase in the wellbeing of the society is visible.

4. What is your Company's direct contribution to community development projects- Amount in INR and the details of the projects undertaken.

For the financial year ended 31.03.2021 the Company has spent an amount of Rs. 4.41 Crore. towards CSR activities which include community development activities.

5. Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words, or so.

The Company timely informs and educates the community on such activities undertaken by the Company and looks forward for active participation from them. Further, monitoring of such activities is done on periodical basis to ensure that the community is actually benefiting from the same.

Principle 9

1. What percentage of customer complaints/consumer cases are pending as on the end of financial year.

The Company is also engaged in business of processed chicken food products and quick service restaurant namely 'Venky's XPRS'. The Company always assures and is having the prime objective of providing a quality and safe product to its consumers. All the consumer complaints received during the financial year 2020-21 have been resolved to the satisfaction of the Complainant.

2. Does the Company display product information on the product label, over and above what is mandated as per local laws? Yes/No/N.A. /Remarks(additional information)

The Company provides all the required information on package of the products, wherever applicable, as per statutory guidelines, including nutritional information and information related to preparation of the products.

3. Is there any case filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year. If so, provide details thereof, in about 50 words or so.

No.

4. Did your Company carry out any consumer survey/ consumer satisfaction trends?

Understanding consumer tastes and preferences is done by the Company from the past four decades. The Company has a dedicated customer feedback line and department. Also, the Venky's XPRS restaurants have a customer feedback register at every restaurant which provide insight into the consumer trends and helps in improvement.

VENKY'S (INDIA) LIMITED

Registered and Corporate Office: "Venkateshwara House", S.No. 114/A/2, Pune-Sinhagad Road, Pune-411 030

Date: May 10, 2021

Dear Shareholder(s),

Option for ECS Mandate / Bank Mandate

ECS Mandate

As an added service to our shareholders, we are pleased to offer the facility of electronic credit of dividend directly to the respective bank accounts of our shareholders, through Electronic Clearing Service (ECS). Shareholders who would like to avail this facility are requested to fill up the mandate form provided on Page No. 152 and submit the same to the Company' Registrar and Share Transfer Agent's office. This service not only protects a shareholder against fraudulent interception and encashment of dividend warrants but also eliminates dependence on postal system, loss / damage of dividend warrants in transit and correspondence relating to revalidation / issue of duplicate dividend warrants.

Kindly note that as per the directives of Securities and Exchange Board of India (SEBI), in respect of shareholders holding shares in dematerialised form, dividend shall be paid through ECS (where such facility is available) directly into the bank account furnished by the shareholders to their respective Depository Participant at the time of opening the Demat Account, provided that bank particulars and MICR details are made available to the Company in the beneficiary positions provided by NSDL & CDSL. **Such shareholders therefore need not submit the mandate form provided on the reverse of this letter but should ensure that the Bank particulars submitted to their respective Depositories are correct and valid.** In case it is desired to receive dividend in an account other than the one specified while opening the Demat Account, such shareholders may please inform the same to their respective Depository Participant immediately. The details informed to the Company or its Share Transfer Agent will not be considered in such cases.

Bank Mandate

Shareholders holding shares of the Company in physical form and who, for any reason, would not like to avail of the ECS facility being offered to such shareholders as mentioned above, are requested to furnish, (if not done earlier) in the mandate form provided on Page No. 152, details of their Bank Account number and name of the Bank and the Branch, which would be printed on the dividend warrants to avoid fraudulent encashment thereof.

Kindly note that the ECS / Bank Mandate instructions should be under the signature of the shareholder(s) as per specimen lodged with the Company.

We seek your co-operation to enable us to serve you better.

Yours faithfully,

For **Venky's (India) Limited**

Rohan Bhagwat
Company Secretary
